1.1 See Balances in Requested Planned Absence

In Requested Planned Absence, you can now view an employee's accumulated balances by clicking the View Balances button.

The screenshot shows the WinTid interface for 'Requested planned absence'. At the top, it indicates the user is logged in as 'Johnsen Filip' and the current page is 'Follow-up > Requested planned absence'. There are options to 'Show minimal mode' and a dropdown for 'Select departments' (2 items selected). Below this is a table of absences with columns: Employee, Department, Absence name, From date, To date, Absence overlap, See balances, Request date, Reason, Approve, and Actions. Two absences are listed: one for 'Jensen Amalie' and one for 'Eriksen Oskar', both for 'Ferie' in the 'Test og Release' department. Below the table is a detailed view for the absence of 'Johnsen Filip' (12415454667) for 'Ferie' from 15/01/2026 to 15/01/2026. This view includes a 'See balances' button and 'Approve'/'Decline' buttons. The detailed view contains three tables: 'Attendance totals', 'Absence totals', and 'Overtime/extras'.
